Little Beany's favorite colors are pink, red, purple and yellow.

Little Beany loves to play with her friends and when she is older she would like to be a famous ballerina.

Would you like to see where Little Beany is living and get to know her family and friends?

This is the house where Little Beany lives with her family.

Isn't it a beautiful house?

And look there, this is "Pea", Little Beany's lovely dog.

He loves to lie in the sun and to watch the colorful butterflies flying around.

"Pea" is a little bit scared of mice, but fortunately there are no mice nearby.

Or do you see a mouse?

Would you like to come in and meet Little Beany's family?

This is Little Beany's Daddy, the best daddy in the world.

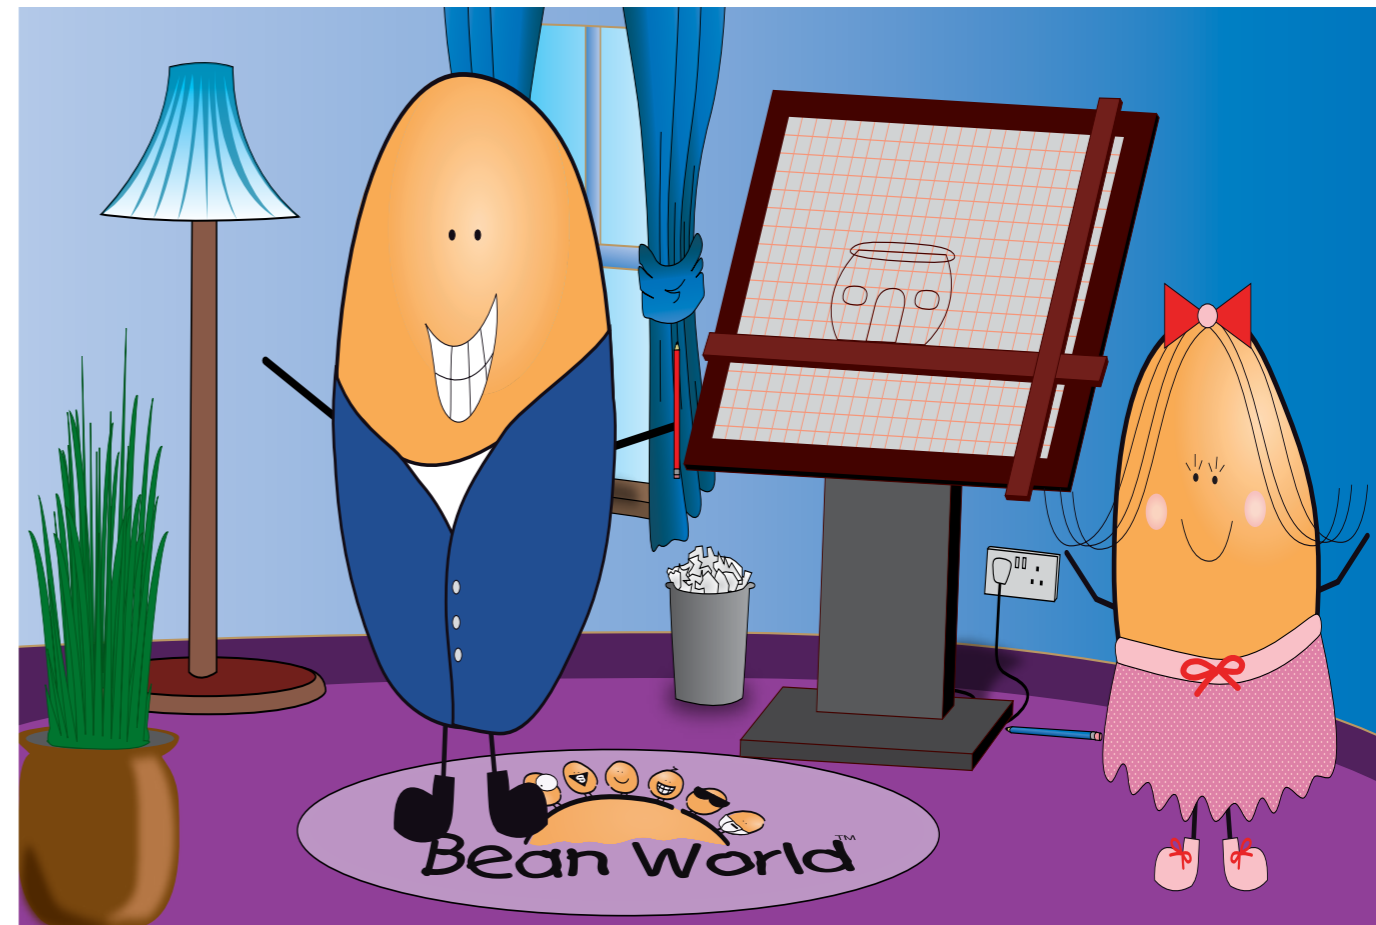

Little Beany's Daddy is an architect and he builds the most beautiful houses in Bean World.

Even the house where Little Beany lives was built by her Daddy.

Daddy Bean has a large drawing board, which Little Beany also likes to draw on sometimes.

But Little Beany lost her blue pen.

Maybe you have seen her blue pen?

Sometimes Daddy Bean has a break and sits with Little Beany to have a cold lemonade.

Do you like drinking cold lemonade?

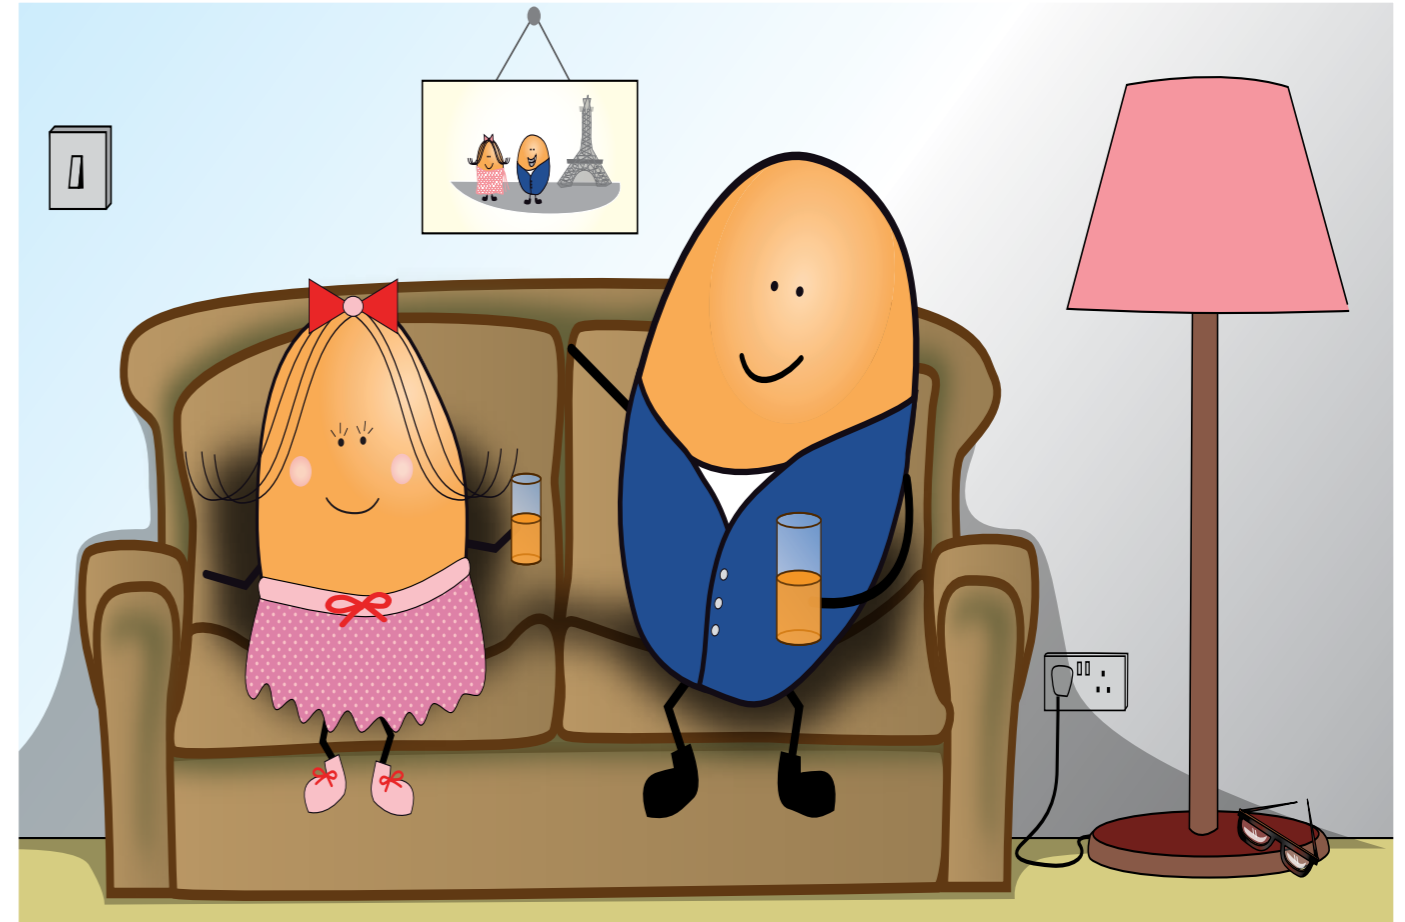

Daddy Bean is always telling lovely stories.

But Little Beany loves it most when Daddy reads her stories from a book.

But Daddy cannot find his glasses anymore.

Have you seen Daddy's glasses?

Now her father has to work again and Little Beany would like to introduce her grandmother, grandfather and her little sister to you.

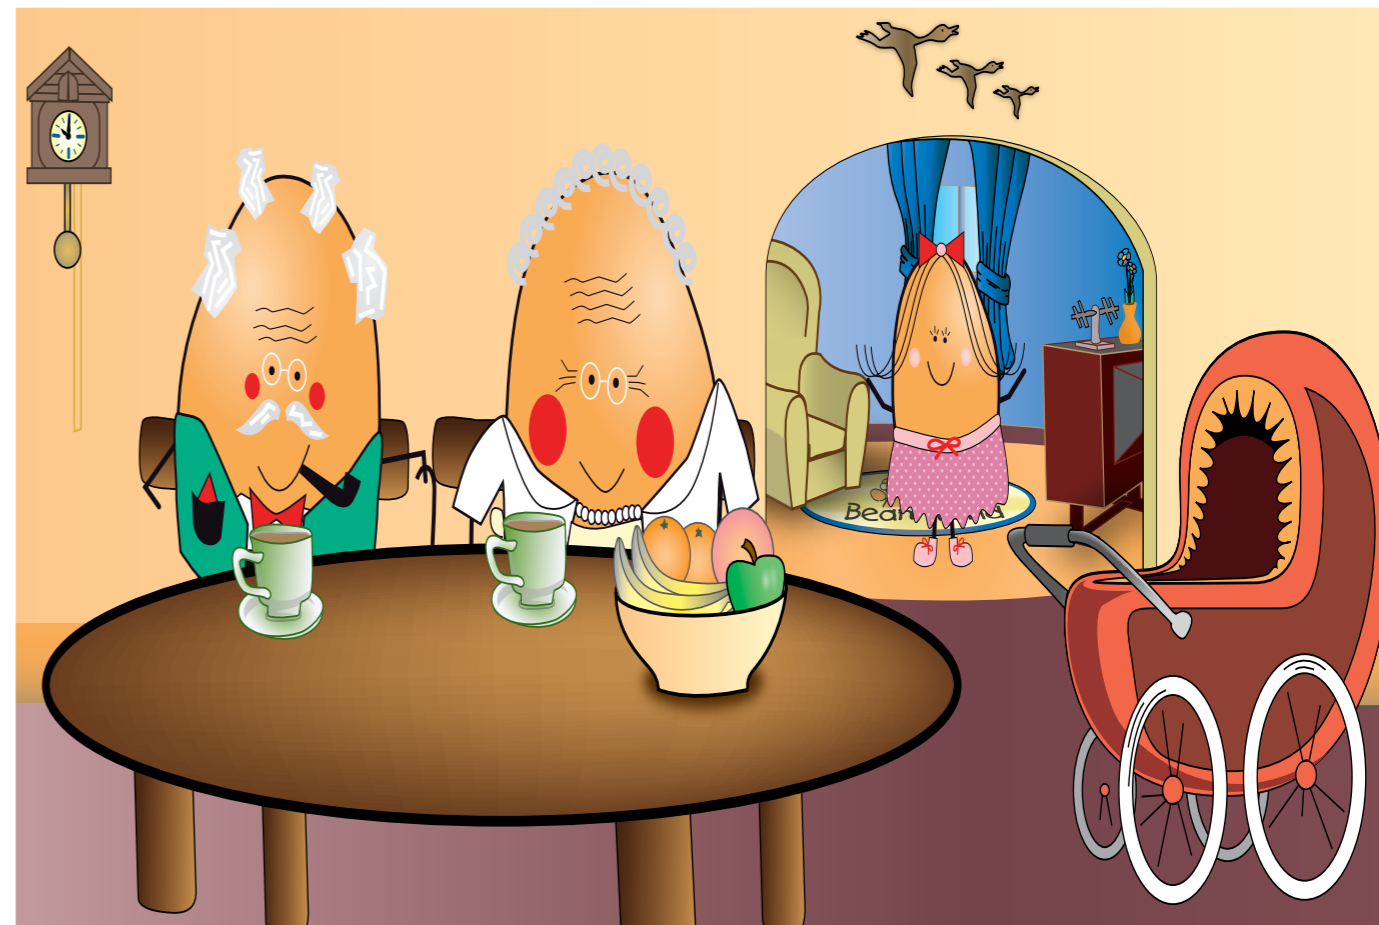

This is Little Beany's grandmother and grandfather drinking a hot chocolate.

And look there is Little Beany's little sister in the stroller.

She sleeps well, because Baby Beans are always sleeping.

Would you like to have a quick look in the stroller to meet Little Beany's little sister?

But please be quiet and do not wake her up!

Oh look, Baby Bean is not sleeping anymore.

Isn't she cute?

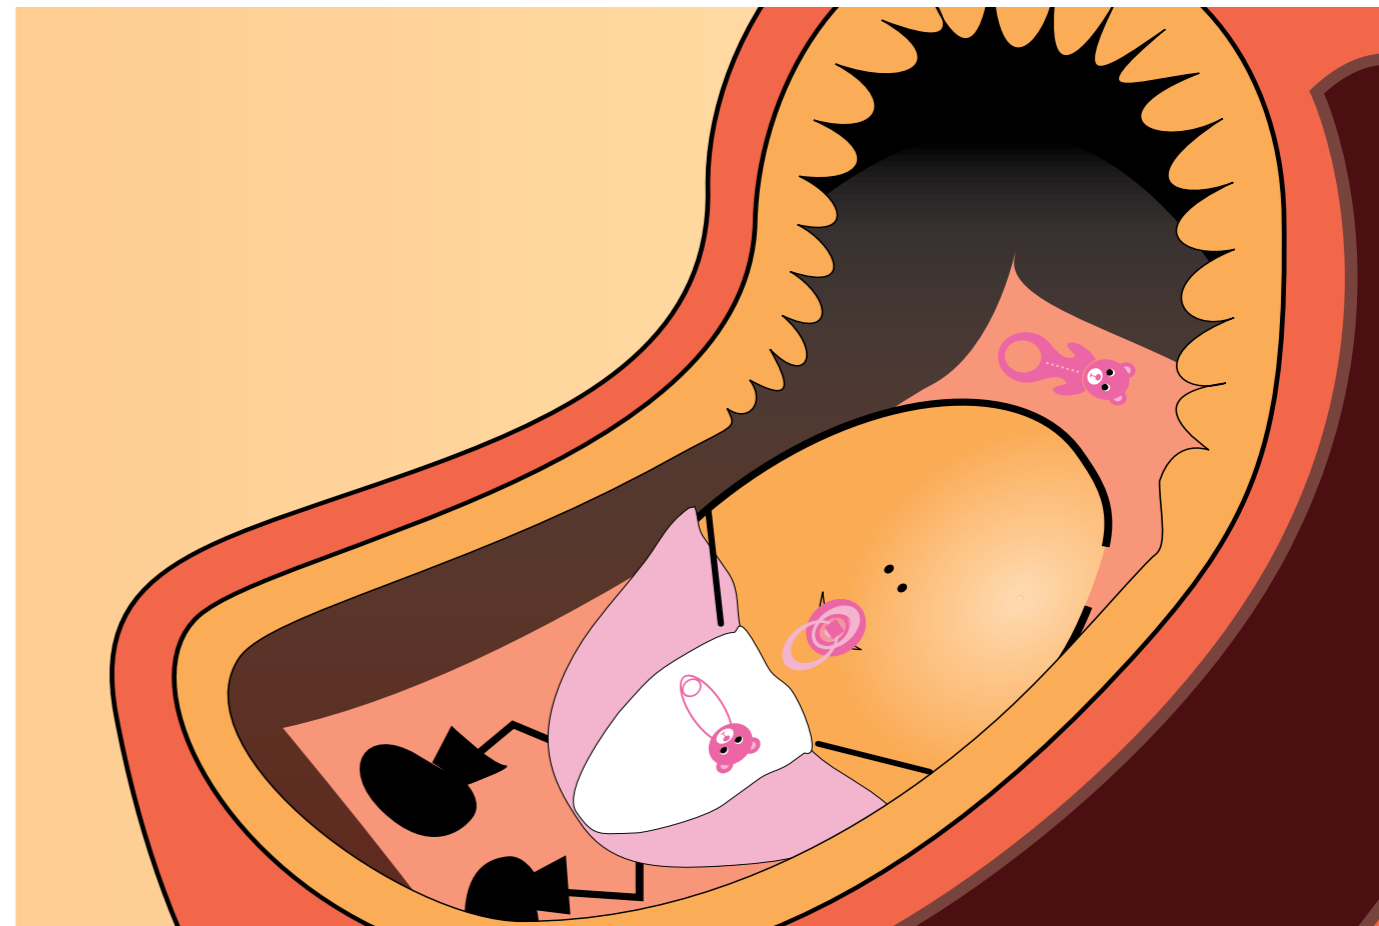

Baby Bean is now 1 and she is already crawling through the whole house.

Baby Bean loves it most, if Mummy Bean is holding her in her arms.

Oh, look at her diaper, Baby Bean needs a new one and maybe she is hungry?

Baby Bean would like to play with her rattle!

Have you seen her rattle?

This is Little Beanys brother.

He is 9 years old and is in year three at bean school.

He loves to play drums and when he is older he wants to be a famous musician.

Little Beany is playing the flute and she loves to make music with her brother.

Do you play instrument?

This is Little Beany's older sister.

She is 10 years old and she is in year four at bean school.

Little Beany and her sister love dressing up like princesses.

But both beans could not find the most important accessory for a princess, the princess stick.

Have you seen the red heart princess stick?

And look at the beautiful princess bed.

When Little Beany is older she would also like to have a princess bed.

Would you like to have a princess bed?

This is Little Beany's room.

This is the nicest room of all.

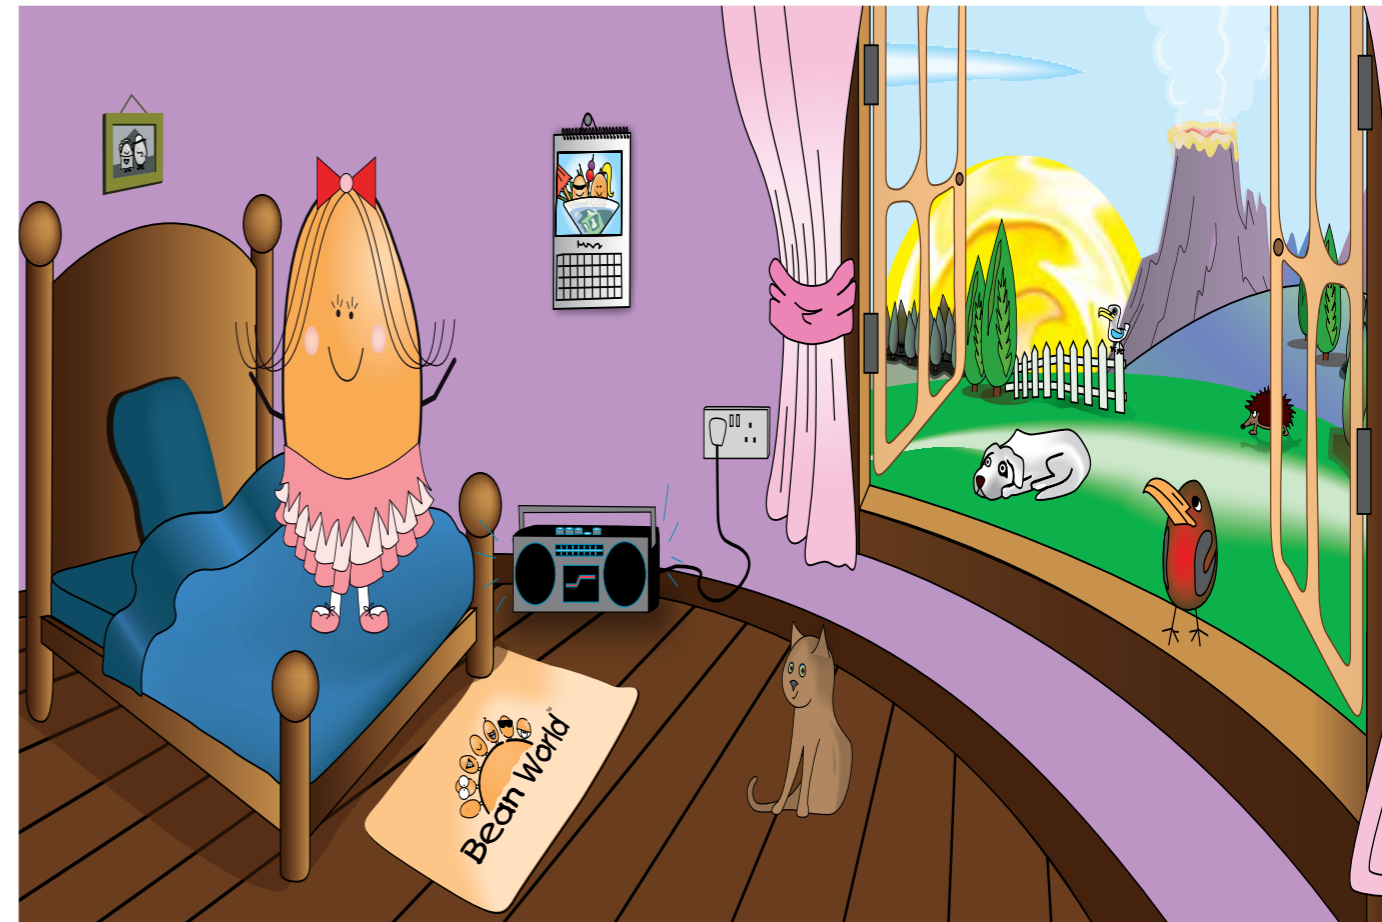

Look, there is Little Beany's cat "Little Kitty" and there is "Pea", he is now lying behind the house.

Do you see any more animals?

Little Beany loves to dance.

She turns on her music player and she starts immediately to dance on her bed.

But before little Beany starts dancing, she puts on her pink ballerina skirt and ballerina shoes.

The door bell is ringing.

Who might this be?

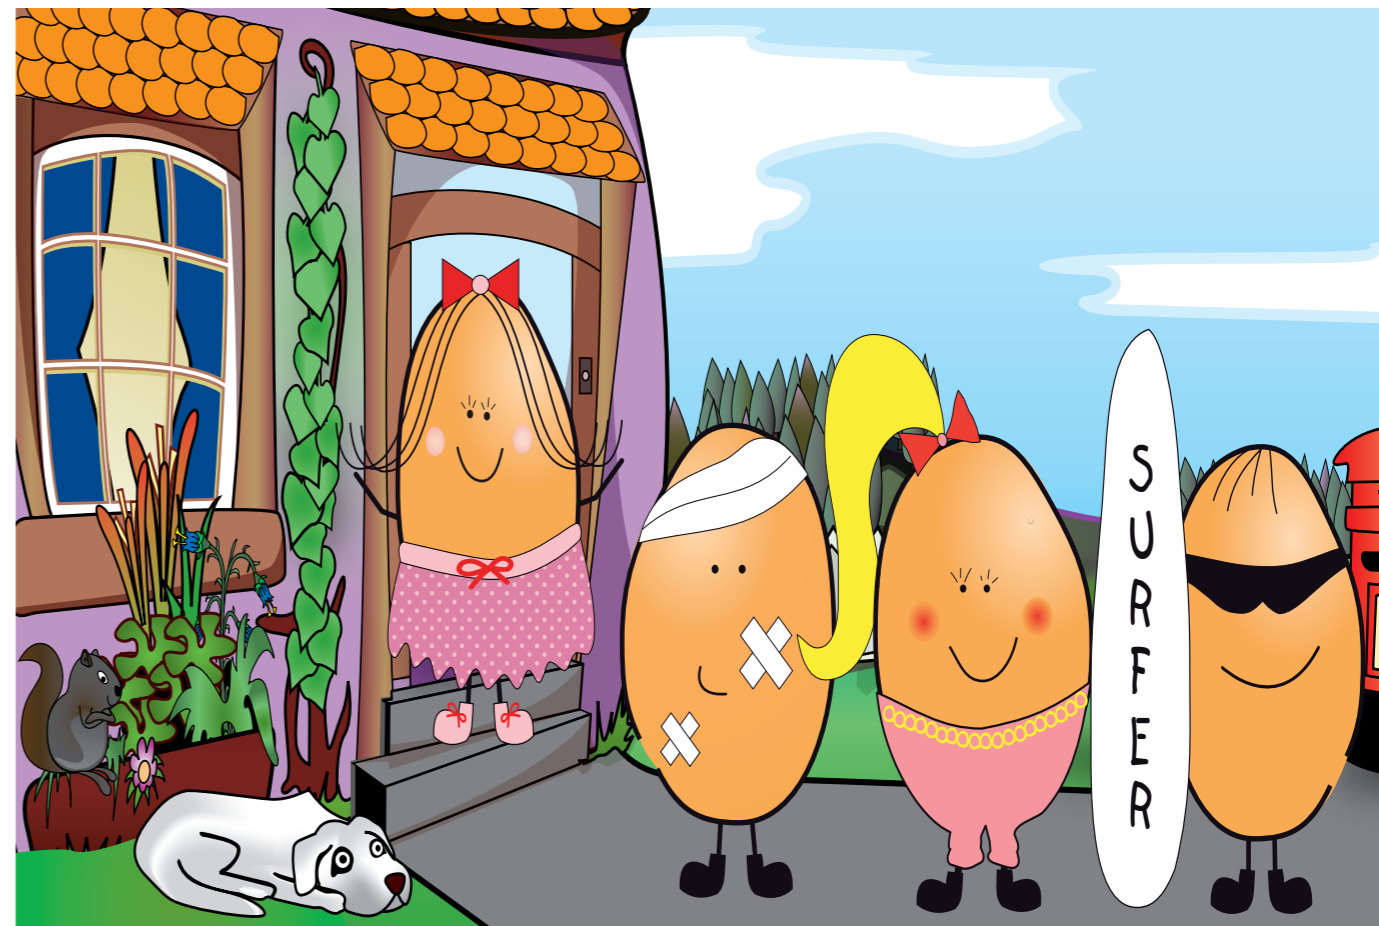

Little Beany opens the door and look, her best friends Clumsy Bean, Groovy Bean and Surfer Bean are standing at the front door.

Do you see who else is in front of the house?

Clumsy Bean, Groovy Bean and Surfer Bean want to pick up Little Beany for the beach because the weather is so wonderful today.

Little Beany is very pleased because she loves going to the beach.

But first she has to pick up her swimsuit and towel.

The four friends are on the way to the beach.

But they are not sure which is the right way to the beach.

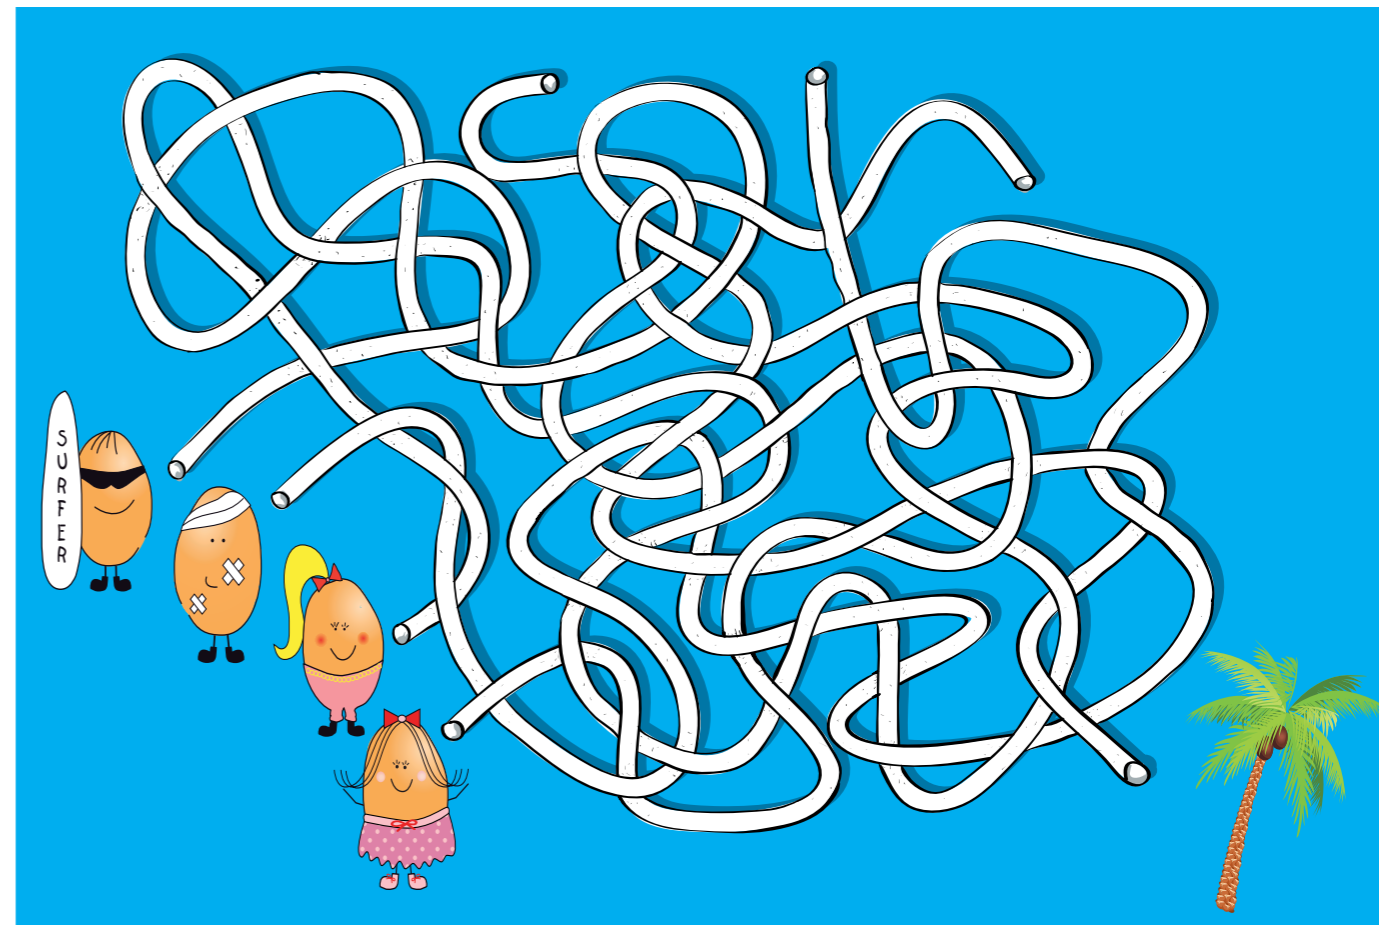

Surfer Bean is quite sure that his way is the right one.

Clumsy Bean also thinks that his way is the right one.

Groovy Bean knows definitely that her way is the right one.

And Little Beany is quite sure that her way goes directly to the beach.

Could you help the beans find the right way to the beach?

The beach is so lovely and the water is so warm.

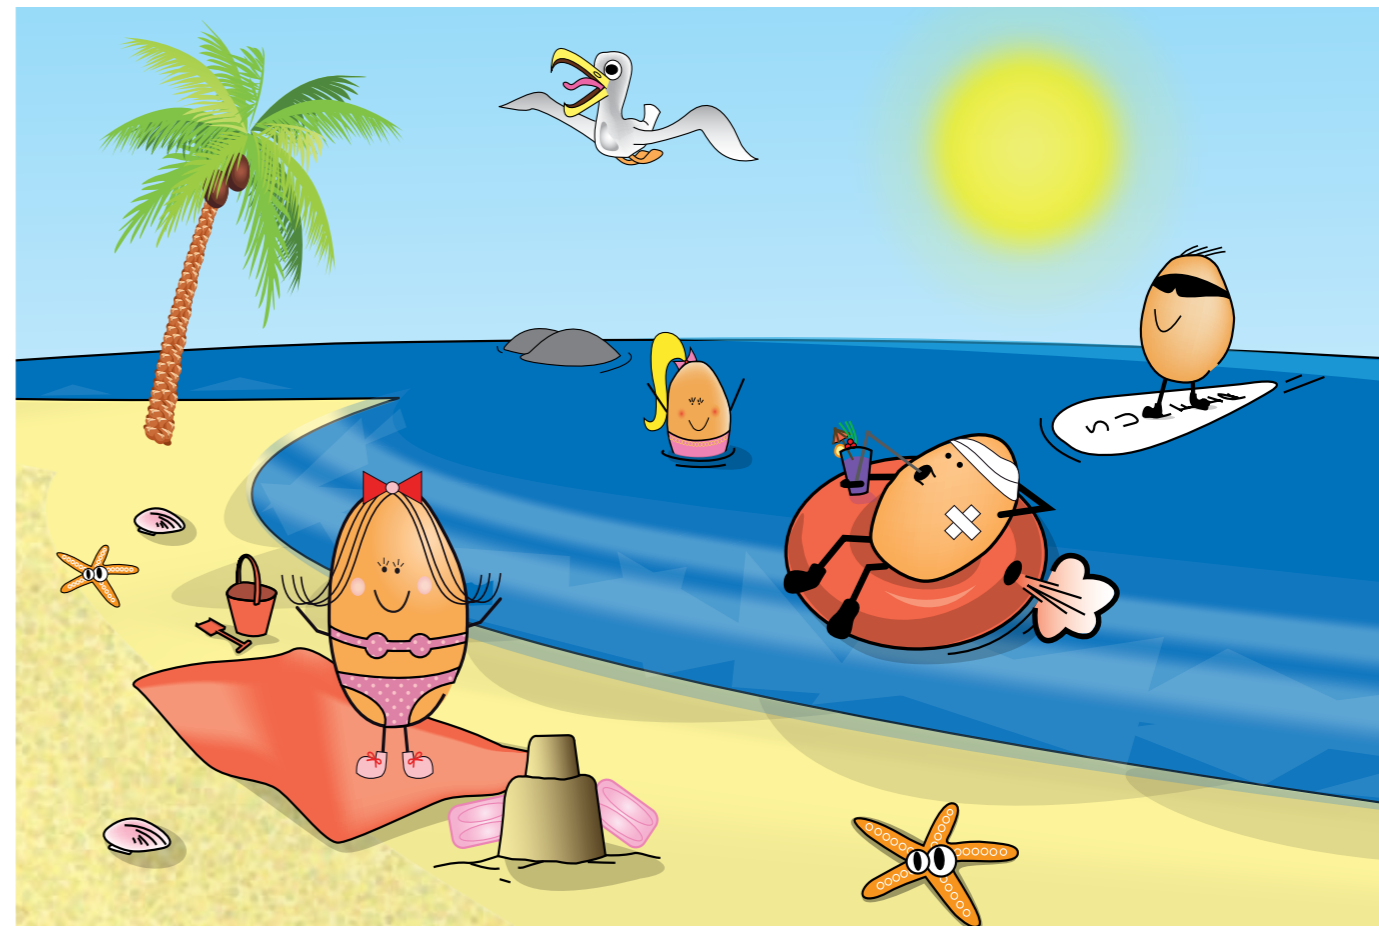

Little Beany loves to build sandcastles.

And look, there is a sea gull and some starfish lying on the sand.

Little Beany would like to go swimming together with her friends.

But she first needs her arm floats.

Have you seen her pink arm floats?

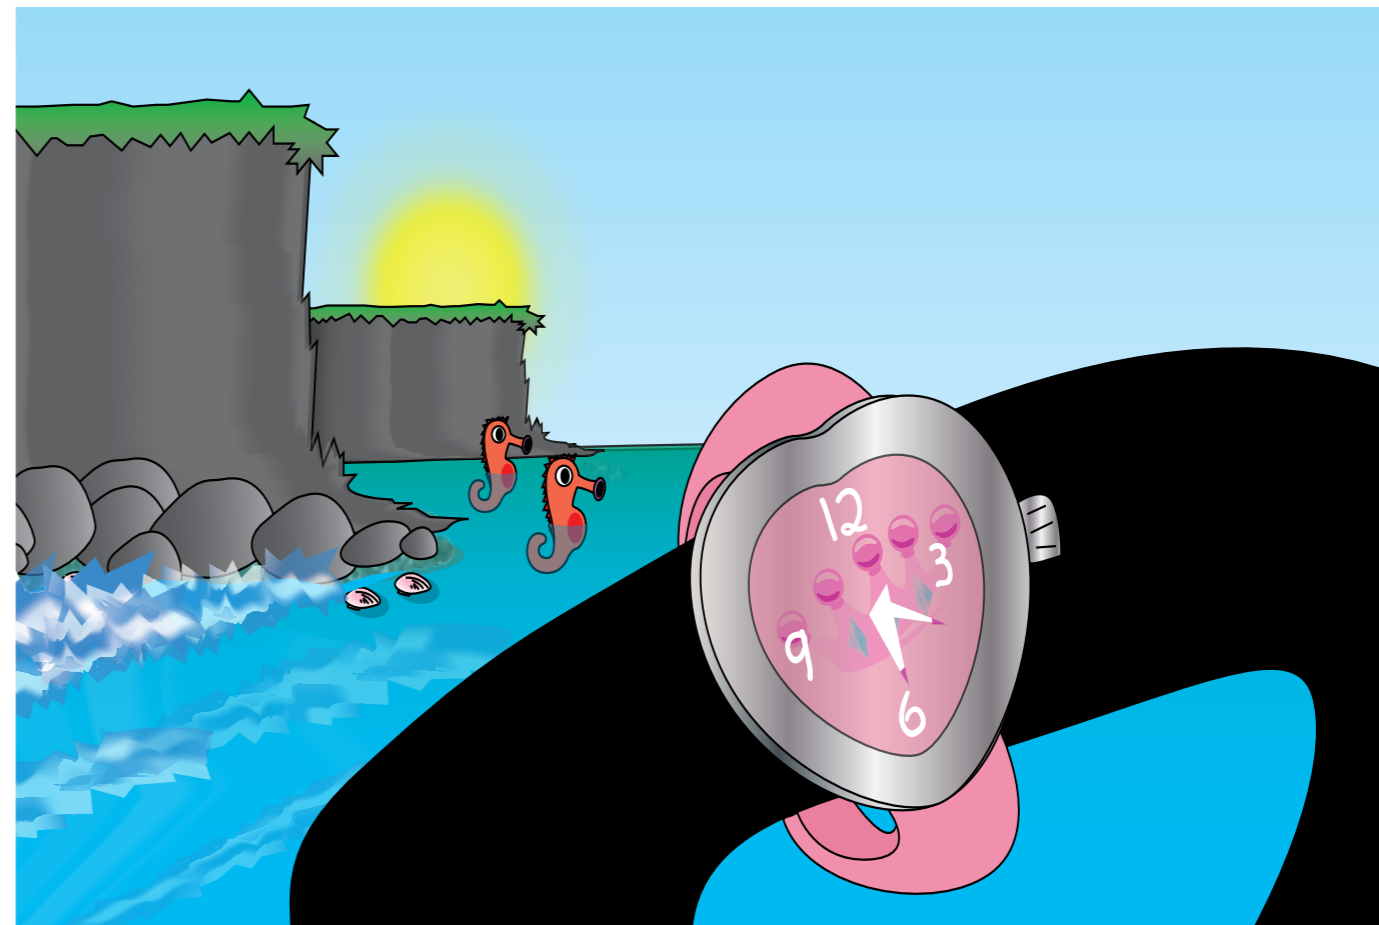

Little Beany is looking at her watch.

It is half past four.

Little Beany has to go home because she promised her mother to help with the dinner for today.

Little Beany says goodbye to her friends and makes her way back home.

Now Little Beany knows the right way home because of your help.

This is Little Beany's Mummy, she is preparing the dinner.

Little Beany loves to help Mummy in the kitchen.

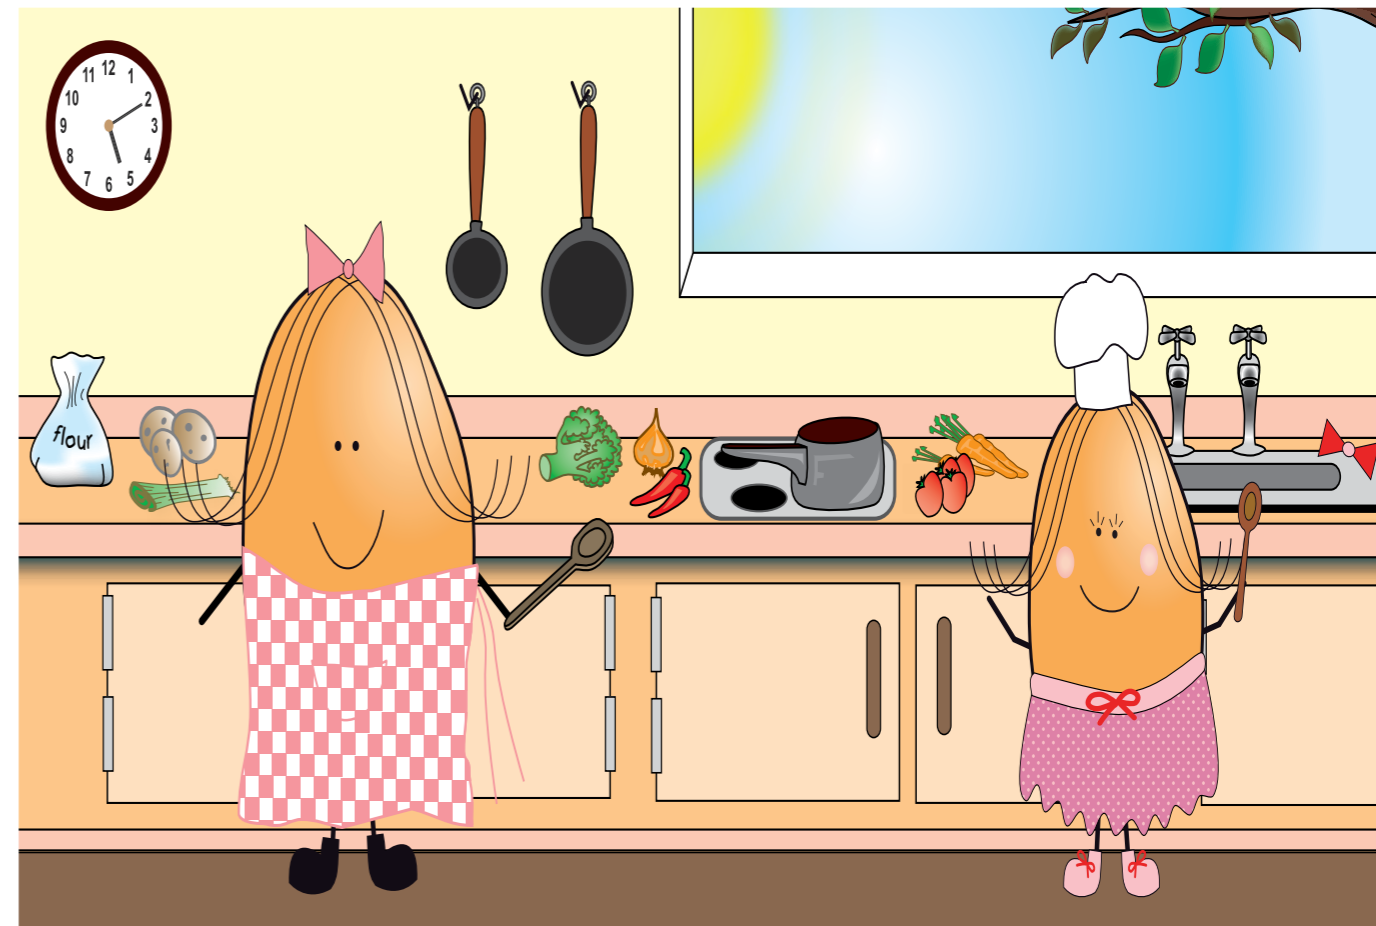

There are so many things to do like cutting onions, tomatoes, potatoes and all the other vegetables.

But before Little Beany helps her Mummy in the kitchen, she puts on her chef's hat.

Mummy Bean needs the flour for the sauce.

Have you seen the flour?

When the dinner is finished Little Beany has to call the whole family together.

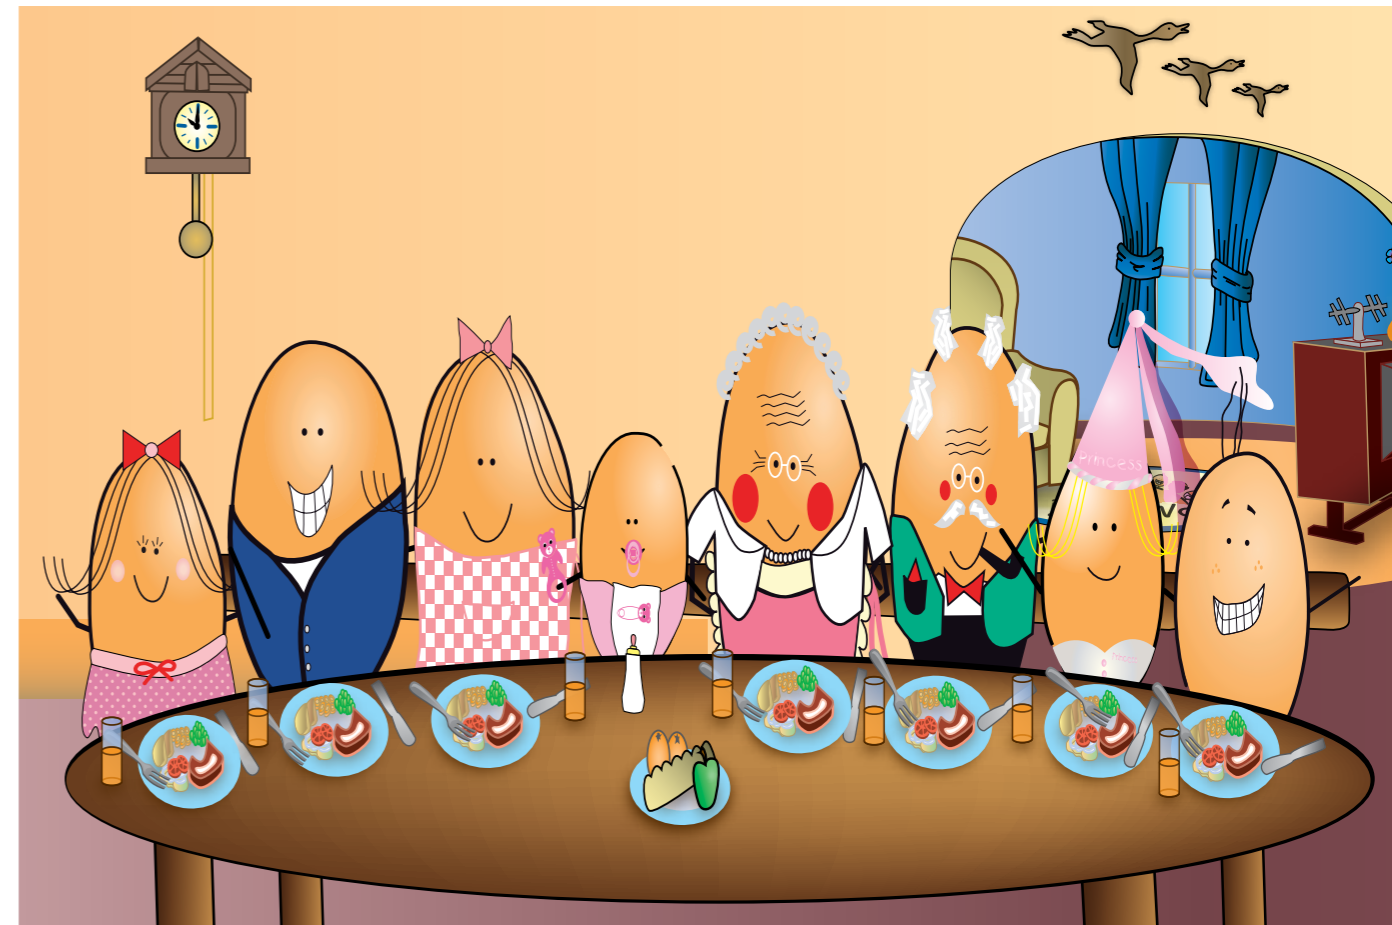

The table is full and everybody is very hungry.

Eating together with the whole family is a lot of fun.

Sometimes it is a little crowded at the table with such a big family.

Look at the great meal.

Mummy made it delicious, but only with Little Beany's help.

After the dinner and after the washing-up, Little Beany is very tired.

But before Little Beany goes to bed, she is allowed to watch the "Sandman" on TV.

"Pea" also loves watching the "Sandman" on TV.

Now the "Sandman" is finished and Little Beany has to go to bed.

But first Little Beany has to go to the bathroom to get ready for bedtime.

This is Little Beany's bathroom.

And look, there is Little Beany's big bathtub.

Little Beany loves to play with her rubber duck in her bathtub.

Have you seen Little Beany's yellow rubber duck?

Do you have also a rubber duck?

Every morning and every evening Little Beany cleans her teeth.

It is very important to clean your teeth, so that they don't go bad.

Then Little Beany washes her hands and face and then she is ready for bed.

This was a wonderful day.

Little Beany is very tired and she falls asleep straight away.

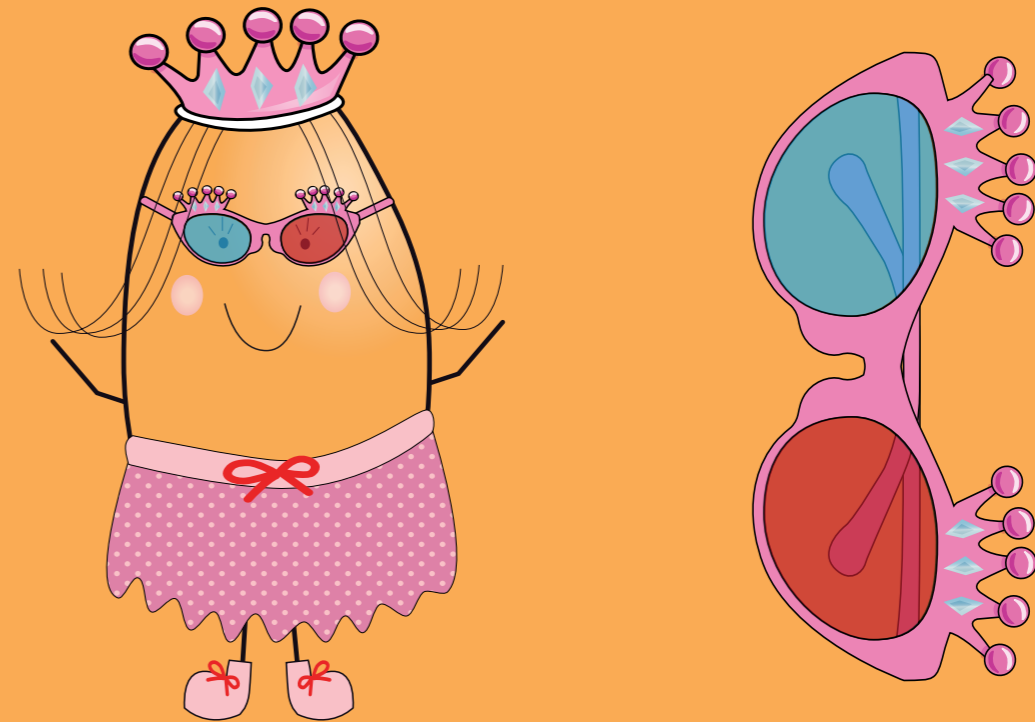

And look, there is Little Beany's teddy lying next to her and "Pea" and "Little Kitty" are also in her room.

Before Little Beany falls asleep, she sets her alarm clock so she won't oversleep and to be right on time for bean kindergarten tomorrow.

Sleep well and have sweet dreams, Little Beany!

Please put on the magical Little Beany princess glasses and join Little Beany again.
